

SMARTER, FASTER, BETTER OPERATIONS FOR YOUR WHOLE TEAM

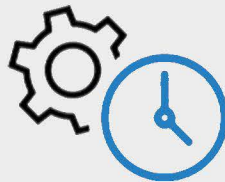

Our clients save over **\$1MM** in overhead and **50%** reporting time by tapping into the power of their data.

INTEGRATE AND TRANSFORM YOUR DATA TO UNLOCK:

Actionable Reporting

based on business rules, designed around you and your stakeholder's work.

Intelligent Automation

that manages your workflow across multiple steps and stakeholders.

Insights for Everyone

with our simple-to-use interface that extends the reach of your data.

MORE THAN JUST BUSINESS INTELLIGENCE

Deepest Integration

The Datex Platform leverages the MRI/Yardi data you already have. Anyone can drill down to the details in just a few clicks!

Best-In-Class Reporting

After 20 years of working with the smartest minds, we've developed a deep library of 150+ data views and reports with superior insights.

Better Benchmarking

Datex aggregates, anonymizes and reports on national trends. You get instant insights using big data that anyone can understand.

Reporting Automation

Monthly Management Reporting Automation produces an automated, integrated, and custom PDF Report for each Property Owner monthly!

Workflow Automation

Tracking, reporting and notification tools built around your recurring tasks to increase efficiency and keep your entire team engaged.

Leasing Automation

Transform your leasing processes through collaborative tools that unify leasing apps, lease approval and leasing assumptions.
